Luxury Villa in Green Oasis: Your Stylish Retreat Between City and Nature

Welcome to this rural luxury villa, nestled in a green residential area, perfectly located just a 25-minute drive from both Eindhoven and Antwerp. (16 minutes from ASML) This residence offers a rare combination of quiet exclusivity and optimal accessibility.

Inside, you are greeted to a perfectly renovated home, with a large, very nice living room with adjoining garden room that invites you to gather and entertain. The villa is sold almost fully furnished, (for an additional cost of €45,000) including a stylish study, an overcompletely fitted kitchen with rear storage room, and enough bedrooms for the whole family.

The covered terrace with fully equipped outdoor kitchen acts as an extension of the living area, allowing you to enjoy outdoor living all year round. The beautifully landscaped garden provides an idyllic backdrop for relaxing and entertaining, while the beautiful fireplace adds warmth and atmosphere to the interior.

The villa itself exudes luxury and cosiness, with a beautiful choice of materials and a romantic architectural style reminiscent of a fairytale estate. The treehouse in the garden adds a playful element, while the luxurious "guesthouse" as an annex offers a perfect retreat for guests, live-in parents or a live-in adolescent.

The plot is very stylish and fully fenced, reinforcing a sense of security and privacy. The neighbourhood is known for its security, making this villa the ideal place to relax and enjoy quiet evenings.

With a carport and garage, there is ample parking for several vehicles, while the immaculate condition ensures carefree living. In short, this luxury villa offers everything you could want for a life of comfort, style and relaxation.

This is a unique property that you must experience with your own eyes and a measured opportunity that should not be missed!
